

2026 Tire Addendum

Pro Late Models:

- Approved tires are Hoosier ST 10” Slicks purchased from Evergreen Speedway.
- ST1 are approved for left side only. St3 are approved for right side only.
- Qualifying tires must be used to run all heats and the main event(s) for the event.
- A Maximum of 6 tires will be allowed to be checked in on Opening Night. The car must be present at the track, in raceable condition and make every attempt to race the events of the night. If these conditions are not met, the car will be deemed a new car at the next event and will fall under the rule below. Lead Technical Inspector’s decision is final
- Any car/driver that comes to Evergreen Speedway to compete for the first time after the season opener will be allowed to check 4 new tires into inventory. Drivers will be required to start at the back of the heat and main.
- 2 New tires are allowed to be checked into inventory at every scheduled PLM point event. Excluding Mark Galloway & Summer Showdown races. Rules governing these 2 races will be included in the event packet. **Central Welding Supply 125 you will be allowed 4 new tires**
- When a rain out occurs and the main event doesn’t run or does not run the required laps for an official finish, NO new tires will be allowed to be added to inventory for the next 3/8 race.
- Tires go with the driver. If a car change is made, the tires must be switched, and the car number changed to reflect the correct driver.
- Tires in your inventory must be ran at all 3/8 races. Tires used at a 5/8 race DO NOT become part of your inventory. They can be checked in 2 at a time at 3/8 races in place of purchasing 2 new ones if desired.
- Tires Do Not have to be ran on the day they are checked into inventory
- **If a recorded tire is damaged or deemed a safety hazard the driver must present the tire to the Tire Official on the day the tire is damaged and get approval before purchasing or replacing the tire.**
- Damaged tires with less than 20 laps can be replaced with a new tire. Damaged tires with more than 20 laps can only be replace with an approved used tire.
- At no time are softener, additives, chemicals, enhancers or strengtheners to be applied to any tire.
- No shaving, cutting or altering the tire in any way
